

Name: Stephen Bailey

Class of works: I am writing in support of Class #3 (Unskippable DVD Advertising): Audiovisual works released on DVD that contain access control measures that interfere with the ability to control private performance, including the ability to skip promotional materials.

Summary:

Disc name: The Bourne Identity

I rented this movie from Blockbuster. I could not forward to the main feature; instead, it forced me to watch a preview for an idiotic movie that did not interest me. It was incredibly annoying -- and what disturbs me more is that I only see this situation getting worse.
